NOTES

The online training (a CITI RCR course – www.rcr.gatech.edu/online-training) must be successfully completed within **ninety [90] days** of being appointed to a covered project or before the applicable person graduates or otherwise leaves the Institute, even if that imposes a shorter deadline.

The in-person training (www.rcr.gatech.edu/compliance-inperson) must be completed within **the first year** of being appointed to a covered project or before the applicable person graduates or otherwise leaves the Institute, even if that imposes a shorter deadline.

[‡] Applicable doctoral students who began their graduate program prior to Fall 2011 should check with OSP if they need to discuss other options for satisfying the in-person training requirement.

For information about re-training requirements contained in the RCR Compliance Policy, refer to www.rcr.gatech.edu/compliance-retraining.

For more information about training options and links to training resources, refer to www.rcr.gatech.edu/compliance-training-matrix.
